

INSTRUCTIONS FOR REGISTRATION OF RESIDENTIAL PROPERTY

Article 13, Subtitle 4 of the Baltimore City Code requires that, upon property transfer and every September 1st thereafter, every owner of a non-owner-occupied dwelling unit, “whether occupied or vacant, whether or not producing revenue, whether habitable or not habitable” shall file a registration statement with the Commissioner of Baltimore Housing.

A *dwelling unit* is defined as a single unit that provides or is designed or intended to provide complete, independent living facilities for 1 or more persons, including permanent provisions for living, sleeping, eating, cooking, and sanitation. A *rooming unit* is defined as a room or group of rooms forming a single unit, occupied or designed or intended to be occupied for living and sleeping, but not for cooking purposes.

The Registration Statement of Residential Property is a three-part form. Each property owner must complete parts A, B and C of the form.

Part A – Complete all sections that are applicable.

Section 1 Owner’s Name – The owner’s name (as recorded on the deed), street address and telephone number must be provided here.

Section 2 Responsible Officer, Partner or Member - If deeded to a Corporation, LP, LLC, other business entity or an estate this section must be completed.

Section 3 Resident Agent – If deeded to a Corporation, LP, LLC, or other business entity this section must be completed.

Section 4 Authorized Agent – All registrations must include the name, local street address and telephone number of an authorized agent. The authorized agent must be a natural person 18 years of age or older who is customarily present in an office in Baltimore City for the purposes of transacting business or who actually resides in the city. He/She shall be designated by the owner for receiving violation notices and for receiving court process on behalf of the owner. An owner who fits these requirements may list himself as authorized agent. **A POST OFFICE BOX WILL NOT SUFFICE AS AN ADDRESS OF AN AUTHORIZED AGENT.** The Commissioner of Housing must be notified within ten days of any change in authorized agent information.

Section 5 Managing Operator – Complete this section if someone other than the owner listed in section 1 is responsible for managing the property.

Part B - The addresses of all residential properties titled to the owner recorded on Part A are to be listed on this form in alphabetical order.

If you have an ownership interest in property that is deeded in the name of a person or business entity other than the name that appears on Part A of this statement as “owner”, you must file an additional set of registration forms for each such owner’s name. When recording the property address, be sure to include any compass direction that is part of the official address. In the space provided, record the total number of dwelling units and rooming units contained in each property.

The fee due is calculated on the basis of \$30.00 per dwelling unit, with a maximum fee of \$5,000 per owner of record; no fees are assessed on rooming units. Although all units must be registered, certain dwelling units are exempt from a registration fee. If you own units that are exempt from the fee, indicate the reason by placing the appropriate number in the space provided. The exemptions are listed below:

- (1) LICMFD - Licensed Multiple Family Dwelling
- (2) CHARIT - Religious, Benevolent or Charitable Association.
- (3) EDUCAT - Educational Institution
- (4) GOVT - Governmental Agency
- (5) OOUWOR – Owner-Occupied Unit in a building that contains another residence
- (6) EXCEED - Exceeds maximum fee (\$5,000.00)
- (7) FEE PAID - Fee paid by prior owner

Part C - New Requirement - Compliance with Lead Poisoning Prevention Laws

Owners are now required to declare whether or not they own rental units that are affected by State lead-safe laws. If an owner possesses a unit that is affected by these laws, he or she must declare whether or not those units are in compliance with State lead-safe laws. An “affected” unit is a residential rental property built before 1950 that *is not* certified lead free or limited lead free.

Your Registration Statement will not be considered complete and accurate without this information. For questions concerning compliance with **lead-safe laws**, call the Maryland Department of the Environment at 1-800-776-2706 or visit them online at <http://www.mde.state.md.us>.

All three parts of the registration form with check or money order must be returned to Baltimore Housing, Property Registration Division, 417 E. Fayette Street, Room 202, Baltimore, Maryland 21202. If you require a receipt, kindly enclose a self addressed, stamped envelope and a receipt will be returned for your records.

Any violation of the provisions of this ordinance is a criminal misdemeanor subject to a maximum fine of \$500.00 per day. As of 2003, registration fees, penalties and interest are a lien against the property, and subject to tax sale.

If you have any questions concerning the registration process, call (410) 396-3575.

Please make checks or money orders payable to the DIRECTOR OF FINANCE.
